Image of Work

Please enclose up to three high quality slides, prints or digital images on disk of your work (or indicate that you will be emailing a digital image), and sign below to allow your permission for their use. Try to show your work to its best advantage: this image will be reproduced in a small format, so please ensure that the image you choose is not only a good example of your work but that the image is clear, bright, sharp and has enough contrast. Don't forget to consider the background in the photo - does it complement the work? compete with it? is it busy or cluttered? Digital images should be 300 dpi.
